

Group #:

Facilitator:

Health Systems Strengthening
pm

July 8th 2:00 – 4:00

Discussion questions

- What are the **experiences of different kinds of partnerships** between faith-based health providers and the health systems in which they are embedded? What works? What doesn't work?
- What are some of the **key challenges or lessons learnt** from contracting with faith-based health service providers? ?
- What are the **best practice** experiences for health systems strengthening in fragile or post-conflict settings? Is there a specific role for faith-based providers and partners?

TO BE REPORTED BACK

What specific, actionable recommendations can we propose back to the group:

Group #:
