

13 August 2019

We are honored to invite you to the *Communities of Faith Breakfast: Building Partnerships for a One-Community Response to HIV - innovative approaches and joint actions through faith partnerships to achieve epidemic control: finding the missing men and seeking justice for children*, that will take place on Thursday, September 26, 2019, from 8:00 to 10:15 a.m., in conjunction with the 2019 United Nations General Assembly High Level Segment.

The breakfast will be a unique opportunity to strengthen old relationships and to forge new partnerships between faiths and other sectors to address key gaps toward achieving HIV epidemic control and ensuring justice for children. We are expecting the participation of leaders from the religious, political, civil society, and business communities.

This event is organized by Faith Partners collaborating with the Joint United Nations Programme on HIV/AIDS (UNAIDS) and the United States President's Emergency Plan for AIDS Relief (PEPFAR).

This meeting will be held at Yale Club of New York City, 50 Vanderbilt Avenue (Corner of 44th Street), New York 10017.

In advance, we thank you for considering our invitation and hope that you will be able to join us at this important event. Please RSVP to [communitiesoffaithbreakfast@gmail.com](mailto:communitiesoffaithbreakfast@gmail.com) by September 13.

Yours sincerely,
