Draft Agenda

- Overview of migration - situation and challenges - in accessing health services, in particular HIV and TB services, in the context of COVID-19; as well as in accessing COVID-19 mitigation information/tools and care
- Faith Leader: Welcoming the Stranger
- Journey through images: contribution of faith to address migration challenges and in accompanying migrants
- Refresher of the [Road-Map on Migration and HIV and the role of faith](#)
- Best practices by faith groups in collaboration with other sectors: 1. Prevention; 2. Testing and Treatment; 3. Addressing Stigma and Discrimination; 4. Addressing sexual and gender-based violence
- Respondents
- Debate

Upcoming 2021 Interfaith Health Platform Webinars

1. Workshop on the role of faith communities in strengthening adolescent peer groups. Bring together participants with first-hand experience and promising practice interventions, particularly including young people involved the interventions; Experience of adolescents' groups to work on disclosure (with FBOs); and challenges faced by FBOs to address human sexuality (pivot from children to adolescents' care and support) **(June)**
2. Framework for Dialogue and Stigma reduction interventions **(September)**
3. Webinar to commemorate World AIDS Day + Interfaith Service **(December)**
