

Faith and Child Safeguarding Leadership for Institutional and Grassroots Implementation

In honor of this year's **16 Days of Activism against Gender-Based Violence**, please join us on **Monday, December 6, from 10:00 AM to 11:30 AM EST** for an event hosted by Episcopal Relief & Development and InterAction's From Pledge to Action Project and Children and Youth Initiative. The event will feature a panel discussion on how organizations can engage community-level and grassroots faith actors in advancing child safeguarding initiatives. The panelists will also examine the value of a faith-based approach to child safeguarding and how faith leaders can be instrumental in that effort. Following the panel discussion, there will be a brief Q&A session with the panelists, where attendees will have the opportunity to take a deeper dive into key themes discussed in the panel.
